

Job Fact Sheet Questionnaire

CAAT Job Evaluation System for Non-Bargaining Unit Employees

Ontario Colleges of Applied Arts and Technology

The Job Fact Sheet Questionnaire (JFS) is used to gather information for job evaluation purposes for the Colleges' Administrative Staff, Part-Time Support Staff, Part-Time and Sessional Academic Staff positions. Please read each section carefully before completing.

The Education and Experience sections are to be completed by the College according to the College's recruitment standards.

Upon completion by an incumbent, the JFS is reviewed and, when necessary, adjusted by the position's Manager and the Senior Manager responsible for the position. Any changes to the JFS are to be reviewed with the incumbent prior to evaluation. The JFS is then submitted to the appropriate College official for job evaluation purposes.

The JFS is not finalized until it has gone through the job evaluation process and the results have been confirmed by the College. A copy of the finalized JFS will be provided the incumbent for information purposes and as a job description.

Job Fact Sheet Questionnaire

4. INITIATIVE - INDEPENDENCE OF ACTION

Initiative - Independence of action refers to the **amount of responsibility** inherent in a position and the **degree of freedom** that an incumbent has to **initiate** or **take action** to complete the requirements of the position. An incumbent is required to foresee activities and decisions to be made, then take the appropriate action(s) to ensure successful outcomes. This factor recognizes the established levels of authority which may restrict the incumbent's ability to initiate or take action, e.g., obtaining direction or approval from a supervisor, reliance on established procedures/methods of operation or professional practices/standards, and/or built-in-controls dictated by computer/management systems.

A) Briefly describe up to three typical job duties/types of decisions that the incumbent is required to perform using their initiative without first having to obtain direction or approval from a supervisor.

- a. Determine staffing needs for clinical placements recruit, interview and hire CI's and FA's.
- b. Performance management of clinical instructors and faculty advisors.
- c. Work with clinical partners to determine optimum use of clinical placements and develop new and innovative clinical placement opportunities.

B) Briefly describe up to three typical job duties/types of decisions that the incumbent is required to perform which required the direction or approval from a supervisor.

- CNO Standards of Practice for RN and RPN

Job Fact Sheet Questionnaire

5. POTENTIAL IMPACT OF DECISIONS

Potential Impact of Decisions recognizes the **potential consequences** that **errors in judgement** made by an incumbent, despite due care, could have on the College. Usually, the higher the level of accountability inherent in a position, the greater the potential consequences there are on the College from errors in judgement.

Give up to three examples of the typical types of errors in judgement that an incumbent could make in performing the requirements of the position. Do not describe errors which could occur as a result of poor performance, or ones that are rare or extreme. Indicate the probable effects of those errors on the College, e.g., loss of reputation of program/College, waste of resources, financial losses, injury, property damage, effects on staff, students, clients or public.

- a. Recommend for hire someone who is unable to fulfil job duties adequately.
Loss of reputation for the College, graduate not successful on CNO registration, students.
- b. Implementation of clinical plan that does not prepare the graduate. Loss of reputation for the college, graduate not successful on CNO registration, students.
- c. Loss of clinical partnership site due to a severing of relationship. Affects students, college reputation, staff.

Job Fact Sheet Questionnaire

6. CONTACTS AND WORKING RELATIONSHIPS

Contacts and Working Relationships refers to the **types, importance** and **intended outcomes** of the contacts and working relationships required by an incumbent to perform the responsibilities of a position. It also measures the skill level required to be effective in dealing with contacts and being involved in working relationships. This factor does **not** focus on the level of the contact, but on the **nature** of the contact.

Indicate by job title, with whom an incumbent is required to interact to perform the duties and responsibilities of the positions. Describe the nature, purpose and frequency of the interaction, e.g., exchanging information, teaching, conflict resolution, team consultation, counselling.

Contacts	Contacts by Job Title	Nature and Purpose of Contact	Frequency of Contact	
Internal to the College:			Occasional	Frequent
Internal to the college, e.g. students, staff, senior management, colleagues.	Counsellors	Student support, academic success, conflict resolution		X

Job Fact Sheet Questionnaire

7a. CHARACTER OF SUPERVISION/FUNCTIONAL GUIDANCE

Character of Supervision identifies the **degree and type** of supervisory responsibility in a position, or the nature of functional/program supervision, technical direction or advice involved in staff relationships.

(√) Check the applicable box(es) to describe the type of supervisory responsibility required by an incumbent in the position:

- ☐ ☐ Not responsible for supervising or providing guidance to anyone.
- ☐ ☒ Provides technical and/or functional guidance to staff and/or students.
- ☐ ☐ Instructs students and supervises various learning environments.
- ☐ ☒ Assigns and checks work of others doing similar work.
- ☐ ☐ Supervises a work group. Assigns work to be done, methods to be used, and is responsible for the work performed by the group.
- ☒ ☐ Manages the staff and operations of a program area/department.
*
- ☐ ☐ Manages the staff and operations of a division/major department. *
- ☐ ☐ Manages the staff and operations of several divisions/major departments. *
- ☐ ☒ Acts as a consultant to College management.
- ☐ ☐ Other e.g., counselling, coaching. Please specify:
▪

* Includes management responsibilities for hiring, assignment of duties and work to be performed, performance management, and recommending the termination of staff.

Specify staff (by title) or groups who are supervised/given functional guidance by an incumbent.

- Clinical Instructors
- Faculty advisors

Job Fact Sheet Questionnaire

7b. SPAN OF CONTROL

Span of Control is complementary to **Character of Supervision/Functional Guidance**. Span of Control refers to the **total number of staff** for which the position has supervisory responsibility, (i.e., subordinates, plus all staff reporting to these subordinates).

Enter the total number of full time and full-time equivalent staff reporting through to the position. Also identify the number of staff for whom the position has indirect responsibility (contract for service), if applicable.

Type of Staff	Number of Staff
Full-Time Staff	0
Non-Full Time Staff (FTE) *	75-100 PT and PL faculty
Contract for Service **	
Total:	

*** Full Time Equivalency (FTE) conversions for non-full-time staff are as follows:**

Academic Staff

Identify the total average annual teaching hours taught by all non-full-time teachers (part-time, partial load and sessional) for which the position is accountable and divide by 648 hours for post-secondary teachers and 760 hours for non-post-secondary teachers.

Support Staff

Identify the total average annual hours worked by part-time support staff for which the position is accountable and divide by 1820 hours.

Administrative Staff

Identify the total average annual hours worked by non-full-time administrative staff for which the position is accountable and divide by 1820 hours.

**** Contract for Services**

When considering “contracts for services,” review the nature of the contractual arrangements to determine the degree of “supervisory” responsibility the position has for contract employees. This could range from “no credit for supervising staff” when the contracting company takes full responsibility for all staffing issues to “prorated credit for supervising staff” when the position is required to handle the initial step(s) when contract staffing issues arise.

Job Fact Sheet Questionnaire

8. PHYSICAL AND SENSORY DEMANDS

Physical/Sensory Demands considers the **degree** and **severity** of exertion associated with the position. The factor considers the intensity and severity of the physical effort rather than the strength or energy needed to perform the task. It also considers the sensory attention required by the job as well as the frequency of that effort and the length of time spent on tasks that cause sensory fatigue.

Identify the types of physical and/or sensory demands that are required by an incumbent. Indicate the frequency of the physical demands as well as the frequency and duration of the sensory demands. Use the frequency and duration definitions following the tables to assist with the descriptions.

PHYSICAL DEMANDS

Describe the types of activities and provide examples that demonstrate the physical effort that is required in the position on a regular basis, i.e., sitting, standing, walking, climbing, lifting and/or carrying light, medium or heavy objects, pushing, pulling, working in an awkward position, or maintaining one position for a long period of time.

Types of Activities that Demonstrate Physical Effort Required	Frequency (note definitions below)				
	Occasional	Moderate	Considerable	Extended	Continuous
Sitting			X		
Standing		X			
Walking		X			
Driving		x			

SENSORY DEMANDS

Describe the types of activities and provide examples that demonstrate the sensory effort that is required in the position on a concentrated basis, i.e., reading information/data without interruption, inputting data, report writing, operating a computer or calculator, fine electrical or mechanical work, taking minutes of meetings, counselling, tasting, smelling etc.

Types of Activities that Demonstrate Sensory Effort Required	Frequency (note definitions below)					Duration
	Occasional	Moderate	Considerable	Extended	Continuous	Short Intermediate or Long
Reading complex information	x					short
Analyzing financial spreadsheets	x					Short
Report writing		X				
Conflict Resolution			X			
Advising			x			
Planning			x			
Computer usage for email, reports, etc.			x			

Job Fact Sheet Questionnaire

FREQUENCY:

Occasional:	Occurs once in a while, sporadically.
Moderate:	Occurs on a regular, ongoing basis for up to a quarter of the work period.
Considerable:	Occurs on a regular, ongoing basis for up to a half of the work period.
Extended:	Occurs on a regular, ongoing basis for up to three-quarters of the work period.
Continuous:	Occurs on a regular, ongoing basis throughout the entire work period except for regulated breaks.

DURATION:

Short:	Up to one hour at a time without the opportunity to change to another task or take a break.
Intermediate:	More than one hour and up to two hours at a time without the opportunity to change to another task or take a break.
Long:	More than two hours at a time without the opportunity to change to another task or take a break.

9. WORKING CONDITIONS

Working Conditions considers the frequency and type of exposure to undesirable, disagreeable environmental conditions, or hazards, under which the work is performed.

Describe any unpleasant environmental conditions and work hazards that the incumbent is exposed to during the performance of the job.

Environment

Describe the types of activities and provide examples that demonstrate exposure to unpleasant environmental conditions in the day-to-day activities that are required in the job on a regular basis, e.g., exposure to dirt, chemical substances, grease, extreme temperatures, odours, noise, travel, verbal abuse, body fluid, etc. Indicate the activity as well as the frequency of exposure to undesirable working conditions.

Types of Activities That Involve Job Related Unpleasant Environmental Conditions	Frequency (note definitions below)		
	Occasional	Frequent	Continuous
travel		X	

Job Fact Sheet Questionnaire

Hazards

Describe the types of activities and provide examples that demonstrate the hazards in the day-to-day activities that are required in the job on a regular basis, e.g., chemical substance, electrical shocks, acids, noise, exposure to infectious disease, violence, body fluids, etc. Indicate the activity as well as the frequency of exposure to hazards.

Types of Activities That Involve Job Related Hazards	Frequency (note definitions below)		
	Occasional	Frequent	Continuous
none			

Frequency:

Occasional	Occurs once in a while, sporadically.
Frequent	Occurs regularly throughout the work period.
Continuous	Occurs regularly, on an ongoing basis, throughout most of the work period.
