WHAT DOORS DID SLC OPEN FOR YOU?

From real-world project opportunities to meaningful communities, these SLC students share their experiences and the pathways that the College has helped them follow.

Scan the QR codes to hear from each student!

This spread was conceptualized and designed by a team of students: Shannon Coady, Pedro Marques, and Nadi Danilova. Here, they share their ideas of how impactful SLC can be from a student perspective.

“When I graduate from my next program, I’m going to be doing more branding.”

AMANDA MORAAL

A Door to the Local Community

Amanda appreciates that SLC has given her the opportunity to delve into her local graphic design space.

Her most recent example was working with the Memorial Centre Farmers’ Market in Kingston to develop a logo redesign that better aligns to their message.

She values job opportunities such as this, made possible through her job at SPARK. This SLC student-run creative communications agency is always busy working with local clients on marketing strategy, brand development, and multimedia advertising.

Amanda’s projects have driven her to pursue branding when she graduates from SLC. With her real-world experience, she believes her knowledge and resources will allow her to fully understand clients and develop strong design solutions.

“Coming to SLC has made me discover more of who I am and what I like.”

ENIOLA OLOWOLENI

A Door to Self-Discovery

The experience of studying abroad at SLC helped Eniola discover her desire for a career in advertising and marketing communications.

The variety of skills to learn, extra-curricular opportunities, and real-world experiences made SLC an easy choice at a time when she was unsure of what path to pursue.

It was important to Eniola to find a community where she felt she belonged. Through her peers and professors, she is confident in saying she feels at home at SLC.

From the creative to business sides, what she appreciates most about her program is community building. Experiential learning opportunities such as client work and the FUSE mentorship program has helped her connect with others, gaining further knowledge and connections for potential careers after she graduates.

“I made such good friendships that I believe are going to be with me for the rest of my life.”

NINIVE ROSSI

A Door to Long-Lasting Friendship

Opportunities to develop meaningful friendships has been Ninive's biggest takeaway from studying in her program.

Being able to collaborate with her peers in and out of the classroom has allowed her friendships to flourish. This has made her student experience meaningful and memorable as she continues to learn and reflect with her friends.

She believes she will maintain her connections long after graduating SLC as she and her peers grow in their professional development together.

ONE COLLEGE, THREE CAMPUSES

St. Lawrence College is located in Eastern Ontario, situated along the St. Lawrence River and the heart of the 1000 Islands, with campuses in Kingston, Brockville, and Cornwall. Our student-friendly cities offer a safe, supportive community for you to live, study, and socialize in.

LAND ACKNOWLEDGEMENT

St. Lawrence College is situated on the traditional lands of the Anishinaabe and Haudenosaunee peoples. May we always be grateful to live and learn on these lands.

KINGSTON

Our largest campus is in Kingston, a true student city. Enjoy the energetic vibe of Kingston's thriving downtown (a short bus ride from campus) and the dining, shopping, live music, waterfront, walking paths, and entertainment the city has to offer. On the Kingston campus, the new Student Life and Innovation Centre offers students opportunities

for recreation, study, and socialization with a student pub, double gym, fitness centre, group study rooms, and more. From arts and business to health care and skilled trades and everything in between, the Kingston campus offers more than 95 programs.

BROCKVILLE

Our Brockville campus offers students a world-class education in a beautiful, small-town atmosphere. Brockville has an engaging community of arts, music, and culture, including a state-of-the-art gallery on campus. With SLC's smallest student population, the Brockville campus is a

close-knit community of students, faculty, and staff. Newly renovated spaces on campus allow students to study and relax, including the library, student lounge, and the cafeteria. Programs include Nursing, Pre-service Firefighter, Music Theatre Performance, and more.

CORNWALL

A campus with a view! Located on the shores of the beautiful St. Lawrence River, the Cornwall campus features a new library, health simulation labs, renovated student common areas, and more. Students have easy access to the city's many opportunities for outdoor recreation, including the 75km walking and bike trail, which runs through campus. Programs include Paramedic, Skilled Trades, Environmental Technician, Supply Chain Management, and more.

Virtual Campus Tours

360° virtual tours let you check out the St. Lawrence College campuses from the comfort of your own home. Explore classrooms, labs, libraries, and social spaces, and envision yourself at SLC.

YOU BELONG AT SLC

“ Belonging is a collective journey we are all part of. We’re always welcoming diverse members to join the SLC community. No matter the experience, background, or ability, SLC celebrates the uniqueness of all our community members. There will always be an open and welcoming door to greet you.”

— CARMEN LAW, Director of Belonging, Equity, Diversity, and Inclusion

WAYS TO BELONG AT SLC

Build connections with others through student-run clubs, community groups, student government, Surge athletics teams, and recreation opportunities like intramurals.

Support for Students

Student Wellness provides short-term counselling to students who come to us with a variety of needs. We also offer groups, workshops, and other resources that support well-being and strengthen resilience.

Accessibility Services supports students with disabilities and prior IEPs in a collaborative and encouraging manner to ensure coordination of academic accommodations to support success. SLC is committed to creating a welcoming, barrier-free, inclusive learning environment for all students.

“ To me, building a community of Pride at SLC means acceptance and equality for all members, and normalizing everyone and their identities. It means being able to walk freely and proudly with our identities without the fear of discrimination or potential harm.”

— TAMARA QUENNEVILLE (she/they), SLC student

“ Join our SLC THRIVE community! Every student has a place to belong in our huddle groups, on our student leadership team, or as part of our mentoring program. Some students appreciate activities and huddles with a traditional religious focus. Other huddles are designed for students who don’t practice a particular religion but are nonetheless on a journey to find meaning and purpose. There’s a place for you — you belong!”

— KATHY DOERING, Spiritual Care Facilitator

INDIGENOUS LEARNERS

“Aanii, my spirit name is Waasaa Biidaasamose Kwe (Walksfar Woman). I am a proud Ojibway woman from the Batchewana First Nation in Northern Ontario, and a member of the Crane Clan. I promote health and well-being by encouraging students to find balance in the Physical, Mental, Emotional, and Spiritual aspects of their daily lives. I enjoy sharing the seven holistic Anishinaabe practices for daily life: talking, laughing, crying, dancing, sweating, yawning, and yelling. I believe laughter is essential to human well-being.”

— HELENA NEVEU, Knowledge Keeper

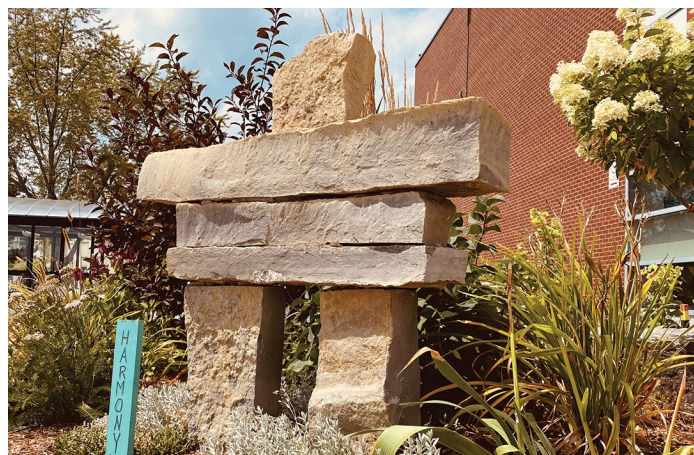

SLC is committed to honouring Indigenous history and contributing to a positive future for Indigenous learners and communities.

The Indigenous Services team of advisors, counsellors, and a Knowledge Keeper at SLC builds a positive and inclusive atmosphere for Indigenous students, provides support for students throughout their college journey, and promotes Indigenous cultural awareness for all members of the SLC community. Meet the Indigenous Services team at stlawrencecollege.ca/IndigenousTeam

Belonging and Connection

The Waasaabiidaasamose Indigenous Centre is a welcoming space for Indigenous students to study, socialize, and participate in events and programming. The Centre also provides resources, computers, craft sessions and other cultural activities, and has on-site Indigenous Advisors. Each Centre welcomes the broader campus community to visit and participate in events, to foster greater awareness and appreciation of Indigenous history and culture.

GLOBAL LEARNING OPPORTUNITIES

St. Lawrence College has partnerships with educational institutions across Canada and around the world, allowing you to study abroad and continue your studies in Canada or overseas. These opportunities strengthen your employability by giving you global experiences and skills.

STUDY AND WORK ABROAD

Earn your Bachelor's Degree in Ireland

SLC has agreements with Technological Universities across Ireland that allow students to turn their SLC diploma into a Bachelor's degree in a short duration at reduced tuition. The Irish Technological Universities offer SLC graduates access to a variety of degrees and locations. With high demand from our graduates, we are developing more program pathways with more Irish institutions all the time. Make St. Lawrence College your gateway to Ireland!

University of Florida & Disney International

Full-time SLC students enrolled in Business, Hospitality, Tourism, or General Arts and Science programs can participate in an exchange program at the University of Florida. Students gain university credits that can be transferred back to St. Lawrence College credentials and earn money while completing a work term at the Walt Disney World Resort in Orlando, Florida, USA.

Barbados Community College Exchange Program

Our partnership with Barbados Community College (BCC) allows full-time SLC students in the following programs to participate in a student exchange:

Visual & Creative Arts - Fine Arts: Experience a single semester exchange to BCC. After graduation, consider earning your bachelor's degree in Ireland at Atlantic Technological University.

Culinary Management: Spend your first year at SLC and your second year at BCC (based on available space). Graduate with an Ontario College Diploma from SLC and an Associate Degree from BCC. After graduation, consider earning your bachelor's degree in Ireland at Munster Technological University.

CREDIT TRANSFER AND BURSARY

St. Lawrence College has educational pathways for students who are seeking further education, earning credentials with less time and money in Canada and abroad.

While studying at St. Lawrence, you can also apply for a Global Learning Bursary to participate in short-term (2-8 week) courses in locations such as Costa Rica, the Netherlands, Japan, and Brazil. Many of the course credits are transferable to your study at the College.

NEW!

GLOBAL SKILLS OPPORTUNITY

Develop global skills & competencies, experience new cultures, and build a global network with our new Faculty-led program.

This is a short-term academic course that allows you to earn academic credits. An SLC faculty member teaches the course and leads the trip to an overseas location to implement the experiential learning component of the course. Students accepted into the program receive FULL funding for their travel!

Note: This opportunity is open to students from all programs.

Our first faculty-led cohort is taking an Entrepreneurship course in Ireland in 2022.

Our 2023 cohort will be taking a Sustainability course in Costa Rica. Application will be available this Fall.

HOW WILL I...

Pay for college?

Financial Aid – Financial Aid Officers are ready to help you explore options including OSAP. Check out our website for FAQs about paying for college and how we can help.

Bursaries/Scholarships – Each year we give out hundreds of thousands of dollars in bursaries and scholarships to hundreds of students. The best part? You only have to fill out one application to be considered for all the awards you're eligible for!

To learn more about our financial services offered, please visit stlawrencecollege.ca/PayForCollege

Get extra help if I need it?

Academic Support Centre (ASC) – The ASC Tutoring Service offers SLC students access to free resources and tutoring services in English writing and literacy, math, science, accounting, and more. From one-on-one tutoring to group tutor and study groups, the ASC is here to help you succeed.

Student Success Facilitators – Our SSFs help with everything from transitioning to college, identifying your learning needs, budgeting, time management, to study techniques and more.

Peer Tutoring – If you're having difficulty in one or more of your courses, the Peer Tutoring Program can help you. Peer Tutors provide practice and review of course material to help students enhance their understanding of the course content.

Find a place to live?

On-Campus Residence – Our campus residences have fully furnished single or double-occupancy suites and common areas for group study and social activities. There are accessible suites available for students with disabilities. Steps away from public transit, on-site laundry facilities, college computer labs, the library, dining services, and more, SLC residence has everything you need in one comfortable, secure location.

Housing Coordinator – Navigating a new city can be challenging, so let our Off-Campus Housing & Outreach Coordinator assist you in finding accommodations in our campus cities.

Get disability-related supports and/or accommodations?

Student Wellness and Accessibility staff work with students and faculty to ensure equal access to academic programming. Students with functional limitations relating to temporary or permanent disabilities can access individually designed supports, personal counselling, and academic accommodations to meet their academic and placement needs.

Carry my IEP over to college?

An IEP does not automatically transition to your college learning environment. It provides important background information, but does not confirm the nature of a disability or related functional limitations. There may be additional documentation required to support your accommodation plan. **Contact Accessibility Services at accessibility@sl.on.ca** as soon as possible after you've accepted your offer to make an appointment to support your academic accommodation planning.

We are here to help.

Scan to learn about our wide range of student wellness services. From mental health to academic accommodations, we work collaboratively with students, staff, and faculty to ensure you are supported.

NEW MASCOT!

Determined to make their mark on the world, Storm emerged from the waters of the St. Lawrence River in Ontario, Canada to fulfill their destiny of becoming the new SLC Surge Mascot.

Very little is known about their species. However, research has determined they are attracted to sporting and social events, gaining energy from teamwork, and positive vibes. If you see them, don't be shy. They are harmless and would love to take a selfie.
