CAREER COLLEGE PREP AT ST. LAWRENCE COLLEGE:

No Grade 12? No Problem! You can still go to college!

The Career/College Preparatory Program is designed to provide adult learners with the opportunity to improve academic, technical, personal, and interpersonal skills in preparation for college programs, apprenticeships, and future employment.

PROGRAM HIGHLIGHTS:

- ✦ FREE for most students
- ✦ Study English, sciences, math, and more
- ✦ Meet college and apprenticeship admission requirements
- ✦ Self-paced study

WORKFORCE & ECONOMIC DEVELOPMENT

Our goal is to support the growth of our local economies and create opportunities for our students and alumni. We use a variety of tools to conduct our work such as partnering on grants and projects, designing and delivering custom training, and contracting the use of College resources and services. We work with partners to leverage external funding opportunities through various governmental and non-government sources.
