HONOUR SONG STORY

Helena Neveu

I want to acknowledge all the students and their achievements. This honour song is about the gifts that you have achieved from the land and also about the Giveaway. I want you to feel pride today and to let you know there's a lot of love surrounding you and in all the teachings. I want to give this song to you as a Giveaway. The Giveaway is a gift that we're given, and I am very honored to be part of your achievements and graduation ceremony. This song is called the All my People song. It's for all the people equally in the circle, represented by the drum. One time there was a girl who had a dream that a hand drum had fallen from the sky. It landed on a beautiful blanket and the girl was told to gather all the people together and that this drum would bring harmony. And so, she did what the dream told her and started singing this song. This is the Giveaway for you.

MUSICAL INTERLUDE

Seasons of Love – Rent, the Broadway Musical

Performed by: Maggie Alguire, Mikayla Bondy, Sara-Claude Dion-Dupont, Anna Doyle, Sarah Duff, Marlee Griffiths, Anastacia Harris, Madeleine Kennedy, Jess Nicholas, Mallory Mason, Bethany Papadopoulos, Will Parry, Thomas Pritchard, Nicholas Sajonas, Sean Rakowski, Maddy Thaller, Kiera Watson

Five hundred twenty-five thousand six hundred minutes
Five hundred twenty-five thousand moments so dear
Five hundred twenty-five thousand six hundred minutes
How do you measure? Measure a year?
In daylight,
In sunsets,
In midnights,
In cups of coffee,
In inches, in miles, in laughter, in strife
In five hundred twenty-five thousand six hundred minutes
How do you measure a year in a life?
How about love?
How about love?
How about love?
Measure in love...
Seasons of love...
Seasons of love...
Five hundred twenty-five thousand six hundred minutes
Five hundred twenty-five thousand journeys to plan
Five hundred twenty-five thousand six hundred minutes
How do you measure a life of a woman or a man?
In truths that she learned
Or in times that she cried
In bridges he burned
Or the way that she died
Its time now to sing out though
The story never ends
Let's celebrate remember a year in a life
Of friends
Remember the love...
(Oh you gotta remember the love)
Remember the love...
(Oh yeah, it's a gift from up above)
Remember the love...
(Sing out, give out, measure your life
In looooooove...!)
Seasons of love...
Seasons of love...

CLASS OF 2021 HONORARY DIPLOMA RECIPIENT

PATRICIA (TISH) HUMPHRIES – PRESIDENT OF BOARD OF DIRECTORS, THE HUB FOR BEYOND 21 FOUNDATION

Trish is an SLC graduate of the 1977 Nursing program on the Cornwall campus, but left the profession to work with her husband on the family farm. She founded the Beyond 21 Foundation, a non-profit organization providing exceptional programming for adults aged 21 and older.

What does this award mean to you personally?

It was a complete and wonderful surprise to be considered for this award. I am both humbled and honored to be the recipient of this prestigious award, one of the most significant events of my lifetime. The kindness of people never ceases to amaze me. The quote from Albert Schweitzer that sits above my desk, is one of my daily inspirations, “What determines our success is how we affect the lives of others.”

How have SLC students or the college in general intersected with your work or community?

Our community partnership with the SLC has been outstanding! Students have completed their placements at Beyond 21 for the last decade from the Social Service Worker, Personal Support Worker, and Business programs. They gain valuable experience, and at the same time support the programming at our center. Our participants love working with the students in groups and one-on-one, which is even more special. We are always sad to say goodbye once their time at our “Place to Belong” is over. The relationships established are a win-win opportunity for all!

What path have you followed that sees you here today? What were some ingredients of your success?

I studied at St. Lawrence College in the Registered Nursing program in Cornwall and had the honor to be the valedictorian for our graduating class in 1976. I recall saying to my fellow graduates, that although we thought we had reached our destination by receiving our diploma that evening, it is in fact just one stop on our life journey. There would be many more to come.

The biggest impact in my and my family's life was the birth of Emma, our fourth daughter. Emma was born with Mosaic Trisomy 9, a rare chromosome disorder, and this diagnosis changed our family life forever. It has been a lifetime of doctors, hospitals, and therapists. When Emma was 18, I began looking for opportunities for her post age 21, when she would leave school system. I was shocked by the lack of opportunities, and my 14-year journey began to find a solution for Emma and others in her situation. Beyond 21 opened a decade ago and became a place where adults with developmental disabilities are respected and connect and contribute to our community.

I have learned perseverance as it applies to self-care, family, and your occupation, and life's path in general. I have learned from unfortunate circumstances and allowed them to make me stronger, not bitter.

Who has been your biggest inspiration, and why?

The biggest inspiration in my life was my cousin, Father Emmett Johns, a priest, humanitarian, and founder of Dans la Rue, a homeless shelter and support group for street youth. In 1988 with a \$10, 000 loan, he purchased a used motorhome and took to the streets of Montreal at night, distributing food and basic goods to street youth and giving them a place to warm up. The organization grew beyond his dreams. His philosophy was to “help without judgment.” I was blessed to have him in my life; he taught me so much with his passion to make a difference in the lives of troubled youth.

What words of inspiration/wisdom can you share with SLC graduates?

Surround yourself with successful people, they will inspire you, challenge you, support you and celebrate with you on your success and comfort you if you fail. Never stop learning, it doesn't have to be academics, the sky is the limit to how you can enhance your education. Work hard and play hard, maintain a balance. Remember that word “perseverance,” your dreams are worth the work and sacrifice. Get outside and exercise - it is important for both your mental and physical health. Give back to your community by volunteering and help a charity of your choice. I promise this act of kindness will make you feel so good!
