# HONOUR SONG STORY

---

Helena Neveu

I want to acknowledge all the students and their achievements. This honour song is about the gifts that you have achieved from the land and also about the Giveaway. I want you to feel pride today and to let you know there's a lot of love surrounding you and in all the teachings. I want to give this song to you as a Giveaway. The Giveaway is a gift that we're given, and I am very honored to be part of your achievements and graduation ceremony. This song is called the All my People song. It's for all the people equally in the circle, represented by the drum. One time there was a girl who had a dream that a hand drum had fallen from the sky. It landed on a beautiful blanket and the girl was told to gather all the people together and that this drum would bring harmony. And so, she did what the dream told her and started singing this song. This is the Giveaway for you.

## MUSICAL INTERLUDE

---

### Seasons of Love – Rent, the Broadway Musical

Performed by: Maggie Alguire, Mikayla Bondy, Sara-Claude Dion-Dupont, Anna Doyle, Sarah Duff, Marlee Griffiths, Anastacia Harris, Madeleine Kennedy, Jess Nicholas, Mallory Mason, Bethany Papadopoulos, Will Parry, Thomas Pritchard, Nicholas Sajonas, Sean Rakowski, Maddy Thaller, Kiera Watson

Five hundred twenty-five thousand six hundred minutes  
Five hundred twenty-five thousand moments so dear  
Five hundred twenty-five thousand six hundred minutes  
How do you measure? Measure a year?  
In daylight,  
In sunsets,  
In midnights,  
In cups of coffee,  
In inches, in miles, in laughter, in strife  
In five hundred twenty-five thousand six hundred minutes  
How do you measure a year in a life?  
How about love?  
How about love?  
How about love?  
Measure in love...  
Seasons of love...  
Seasons of love...  
Five hundred twenty-five thousand six hundred minutes  
Five hundred twenty-five thousand journeys to plan  
Five hundred twenty-five thousand six hundred minutes  
How do you measure a life of a woman or a man?  
In truths that she learned  
Or in times that she cried  
In bridges he burned  
Or the way that she died  
Its time now to sing out though  
The story never ends  
Let's celebrate remember a year in a life  
Of friends  
Remember the love...  
(Oh you gotta remember the love)  
Remember the love...  
(Oh yeah, it's a gift from up above)  
Remember the love...  
(Sing out, give out, measure your life  
In looooooove...!)  
Seasons of love...  
Seasons of love...

# CLASS OF 2020 HONORARY DIPLOMA RECIPIENT

## **JOHN MCDONALD – LAWYER AND FOUNDING MEMBER OF THE HEART OF THE CITY ORGANIZATION AND THE ST. LAWRENCE RIVER INSTITUTE**

John is a civic-minded leader and lawyer serving Cornwall for over 40 years. He is an active member of Cornwall's Downtown Business Improvement Area, and is a founding member of the Heart of the City, an organization that is revitalizing the downtown core. John was also instrumental in the formation of the St. Lawrence River Institute as a founding Board member.

### **What does this award mean to you personally?**

This is a huge honour for me. I believe that you get involved with community organizations because you believe in them and the work they do, and it is highly rewarding to have your work with such organizations recognized in such a truly inspiring way.

### **How have SLC students or the college in general intersected with your work or community?**

My wife, Valerie, is a retired teacher who loved her job and we are both big believers in education. I taught Business Law at the College for a number of years in the early days of my career and thoroughly enjoyed that experience. My law firm has hired legal assistants who graduated from the St. Lawrence College program, including a student I taught in that program, and who is still a member of our team today.

### **What path have you followed that sees you here today? What were some ingredients of your success?**

I started my post-secondary education planning to go to business school at the University of Western Ontario. I switched to law after my second year and graduated from Law School at the University of Windsor. My interest in business never waned and so my focus has been business law and estate planning for my business clients. My extracurricular activities have followed a similar pattern and my continued interest in business has fueled my community involvement. For example, I drafted and processed the documentation that incorporated the St. Lawrence River Institute of Environmental Sciences and the St. Lawrence River Institute Foundation. I did the same for the revitalization group Cornwall's Heart of the City and, on behalf of the City of Cornwall, I drafted the By-Law which created the Downtown Business Improvement Area. I have served as a director on the board of the St. Lawrence River Institute Foundation since its incorporation. I was a founder of Heart of the City, and served as its Chair for many years and I have been the past Chair and continue to be a member of the board of directors of the Downtown Business Improvement Area.

One of my proudest achievements is the Heart of the City Community Improvement Plan. A Community Improvement Plan is a tool recognized in the Municipal Act and utilizing a combination of programs including grants, interest free loans and tax increment financing to allow a property owner to improve underutilized or vacant property in an affordable way. The Heart of the City Community Improvement Plan, which is now operated entirely by the City of Cornwall, was researched, written, and proposed to the City of Cornwall Municipal Council, and promoted to property owners by Heart of the City. It has played a major role in the transition of the City and of the downtown, from a mill town and leveraged millions of dollars of investment in our community in the process.

### **Who has been your biggest inspiration, and why?**

My dad, for who I am named, was my biggest inspiration. He was a business executive and an innovator in the direct marketing field. His success as president and CEO of Sovereign Seat Covers Ltd. and Fingerhut International, which for a time, was the fourth largest private sector employer in Cornwall behind Domtar, Courtaulds and, I believe, CIL, was a great source of pride for our family. My Dad instilled in me my love of business and my belief in community service. He was a member of the Kinsmen Club, one of Cornwall's premiere service clubs, and used his expertise in marketing to help the club develop a lottery system that became so big, the Ontario Government took it over and it became Wintario, a forerunner to OLG and the current provincial lotteries. My dad passed away in 2014 and I hope that my community service continues to add to the legacy he built.

### **What words of inspiration/wisdom can you share with SLC graduates?**

I subscribe to the belief that life is all about relationships. In my case, I am a husband, a father, and a grandfather. I am also a business partner, an employer, and a lawyer with a relationship with my clients and colleagues. I am a member of the downtown Cornwall business community and a citizen of the City of Cornwall. I prioritized my relationships in that order. If I can offer one piece of advice, I would recommend that you take time to identify each of your relationships and that you regularly review and re-evaluate each of them. I also believe that it is difficult to be of much service to your community until you have your own house in order. Do not take more from a relationship than you give and do not take any of them, particularly the family ones, for granted. This, I believe, is the true meaning of work-life balance.

I am receiving this honour, I think, because of my relationship with my community. Institutions and organizations like the River Institute, the College, the DBIA, Heart of the City and many others are important to the growth and wellbeing of this community. These relationships need and deserve our time and attention.
