OFF-CAMPUS HOUSING MARKET LEASING PROCESS

Step #1: Confirm Details & Preferences

Listings do not last long, so having the following sorted will help speed up your search:

- Who will your roommates be?
- Your top priorities for your rental
- Written landlord reference letter (or financial explanation letter from Housing Coordinator)
- Proof of income or details on how rent will be paid.

Step #2: Find Properties of Interest

Start your search on property management websites and open listing sites (e.g. Kijiji/FB Marketplace)

Join Off-Campus Housing group on URSLC to additional listings, resources, and roommates forum.

Step #3: Submit Applications

Only submit ONE application per property. If you're applying with roommates include everyone on one application.

Apply to more than one property. Don't wait to hear back from each application. Apply to any properties you're interest in to maximize your odds.

Step #4: Virtual or In-Person Tours

Property management companies/landlords will contact you for a viewing if you are an eligible tenant.

ALWAYS view a property before signing a lease and exchanging money.

Step #5: Confirm the Details

Be prepared to submit any additional documentation the property management company/landlord request (e.g. direct payment form from your bank)

Ask any questions you have about the property so you are clear on what you can expect as a tenant.

Step #6: Sign the Lease

Once everything else is done, it's time to sign the lease. If you have any questions about leases you can reach out to housing@sl.on.ca.

Make sure you keep a copy of the fully signed lease for your own records.

Is this A SCAM?

1

Track your money

What is a safe form of payment?

NEVER pay cash, wire transfer or hard-to trace equivalents such as Moneygram, Bitcoin, or Money Pak. These forms of payment are impossible to track. You CAN use bank cheques or money orders, or e-transfer BUT only when you are certain it is legitimate.

2

Do your research

What are you paying for?

Google the address. Visit your site in person, send a friend, family or realtor if you cannot go yourself. Meet the landlord in person or during a live virtual tour of the home. Genuine landlords will want to do this. Speak with the current tenant if you can.

3

Protect your personal information

What are Landlords allowed to ask for?

Avoid giving your SIN or bank information. If you are new to Canada, housing can provide a letter for guaranteed funds. You can also provide your own credit check using Equifax.

4

Be aware

What are some common tricks used?

Watch out for high-pressure sales such as telling you there is a lot of interest, deals or prices that seem too good to be true or requesting minimal or too much information; landlords usually request a record check or credit check.

5

Get a legal document

What are some legal things I need to know?

Leases protect both you and the landlord from future trouble. It's an agreed set of rules that you both must adhere to. Consider renting from property management companies or Landlords with multiple units/ properties.
