St. Lawrence College

This manual contains pertinent information about how to submit a video for a Blackboard assignment using Panopto.
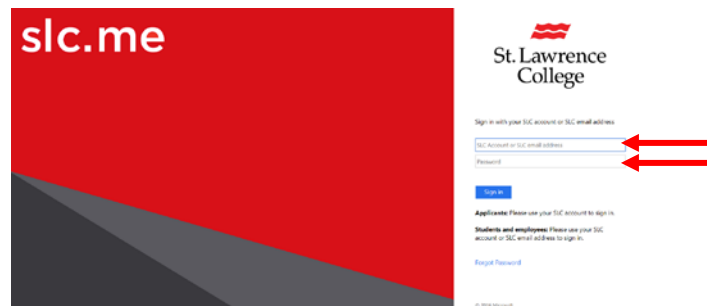

June 2019

About

Panopto is a video sharing service that is accessible through Blackboard to staff and students. During your course you may be required to create video submissions for assignments. To post these videos, so that the instructor and classmates can see them, you may need to use the Mashup feature.
Submitting Video Assignments

1. To submit video content, you will need to first log in to your SLC.me account by going to https://SLC.me/ On the right-hand side you will be asked for your username and password. Enter the information and click the sign in button.

2. Once logged in, click the blackboard icon. This will log in you into your blackboard account.

3. You will need to select the course that the video has been created for and navigate to the assignment using the course menu.

4. From the assignment submission window, click write submission.
