Uploading videos to Panopto

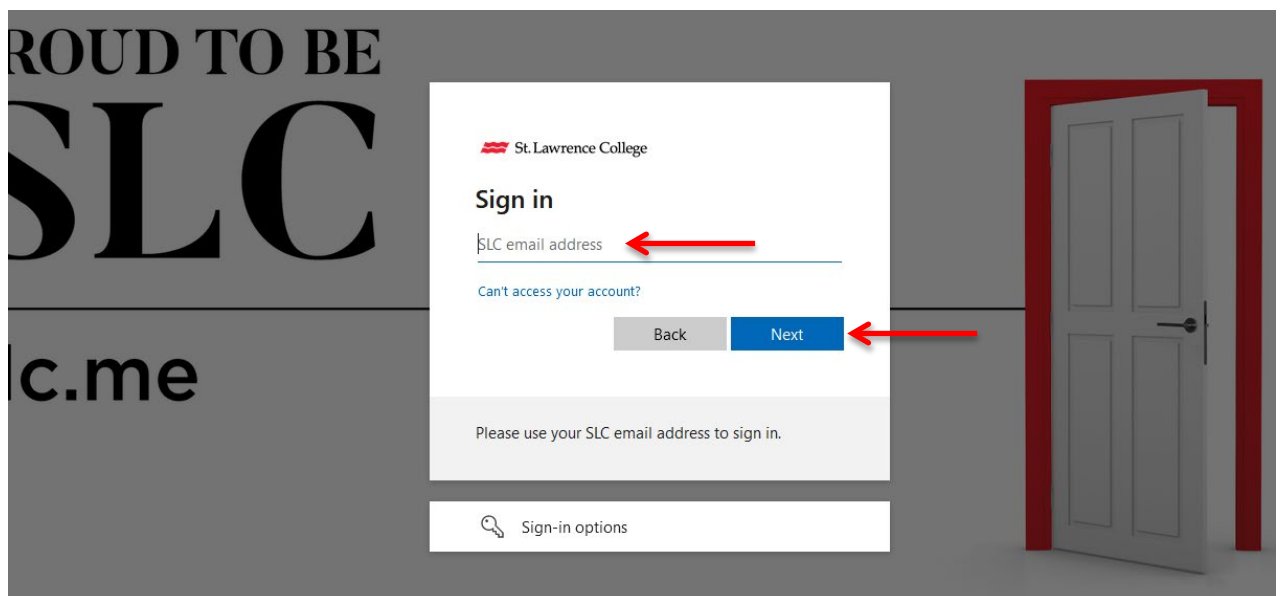

About

Panopto is a video sharing service that is accessible through Blackboard to staff and students. As some students will prefer to use other video recording software, you are able to share these videos instead of using the Panopto Recorder.

Uploading existing videos

1. To upload video content, you will need to first log in to your Slc.me account by going to <https://slc.me>
2. You will be presented with the login screen. You will be able to login with your SLC email address and click on 'Next'.

Remember that your SLC email address ends with **@student.sl.on.ca**

3. You will then be prompted to enter your SLC password and click the 'Sign-in' button.

Uploading videos to Panopto

4. Scroll down, and click on the Blackboard icon.

5. You will need to select the course that the video has been created for and select Panopto from the course menu. *Please note: the course menu for each course may look different depending on the instructor's preferences.*

6. Click 'Create' and select 'Upload media'.

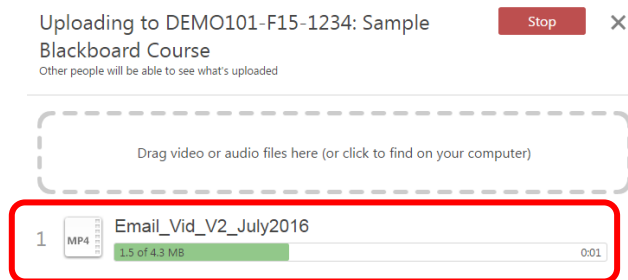

7. You may either drag and drop the file into the window or navigate to the file on your computer.
