

**Ontario Bursary for Students with Disabilities (BSWD)
Canada Student Grant for Services and Equipment –
Students with Disabilities (CSG-DSE)**

Purpose

You may be eligible for funding to help pay for eligible disability-related educational services and/or equipment needed to participate in postsecondary studies. The costs of a psycho-educational assessment or other disability assessment may also be considered.

Use this application to be considered for the following funding during the 2022-23 academic year:

- up to \$2,000 from the Ontario Bursary for Students with Disabilities (BSWD); and
- up to \$20,000 from the Canada Student Grant for Services and Equipment – Students with Disabilities (CSG-DSE).

Who is eligible

Your eligibility for funding consideration is based on your disability status. For the BSWD and/or CSG-DSE, you must have a permanent disability or a persistent or prolonged disability, as defined below.

Permanent disability

For OSAP purposes, the federal government defines a permanent disability as any impairment, including a physical, mental, intellectual, cognitive, learning, communication or sensory impairment—or a functional limitation—that:

- restricts your ability to perform the daily activities necessary to pursue studies at a postsecondary school level or to participate in the labour force, and
- is expected to remain with the student for their expected life.

Persistent or prolonged disability status

For OSAP purposes, the federal government defines a persistent or prolonged disability as any impairment, including a physical, mental, intellectual, cognitive, learning, communication or sensory impairment—or a functional limitation—that:

- restricts your ability to perform the daily activities necessary to pursue studies at a postsecondary school level or to participate in the labour force,
- has lasted, or is expected to last, for a period of at least 12 months, and
- is not a permanent disability.

In addition, you must have applied for and be eligible for funding from one of the following sources for your 2022-23 study period:

- Ontario Student Assistance Program (OSAP) for Full-Time Students
- OSAP for Part-Time Students
- An Institution-Funded Special Bursary (students at public universities and colleges in Ontario only)

Note: students in micro-credential studies are not eligible for BSWD or CSG-DSE

How your disability-related educational costs are considered

Each eligible service or equipment request is considered based on your specific disability-related functional limitations. Information provided from your health care provider (physician or other regulated health care professional) and/or from your school's Office for Students with Disabilities (if applicable) is used to determine what eligible costs may be funded. You must also meet all the eligibility requirements for this program.

You may be provided funding for all or a portion of the costs of the eligible services and/or equipment requested. Approved amounts for eligible items are subject to maximum limits so not all your costs may be covered.

Note:

- Services and/or equipment may not be considered for BSWD and/or CSG-DSE funding if they are provided by your school or eligible for funding through another agency or any third party, such as insurance.
- The cost of tutoring services provided by family members will not be considered for BSWD and/or CSG-DSE funding.
- The cost of tutoring services provided by individuals with a close personal relationship with the student may not be considered for BSWD and/or CSG-DSE funding.
- A request for a computer (desktop, laptop or tablet) to support your specific disability-related functional limitations will only be considered for funding once every four years.
- Approved equipment should be purchased promptly after receiving BSWD and/or CSG-DSE funding to maximize equipment usage during the study period.
- All approved items must be purchased before the end of your 2022-23 study period. Otherwise, you will have to repay all or a portion of the funds given to you to make these purchases.
- Any services and/or equipment purchased before your application is approved are done at your own risk as they may not be approved for BSWD and/or CSG-DSE funding.
- The costs for services and/or equipment (excluding psycho-educational assessments) purchased more than 60 days before the start of your study period will not be considered. Psycho-educational assessment costs will not be considered if the assessment was performed more than 6 months before the start of your study period.

WAIVER AGREEMENT

3RD PARTY CONSENT / REIMBURSEMENT FORM

3RD PARTY PAYMENT CONSENT

You have the option of having St. Lawrence College pay on your behalf (3rd party payment) certain approved services/equipment that you may be eligible for under the Bursary for Students with Disabilities and Canada Student Grant for Services and Equipment (BSWD/CSG_PDSE). If you agree, please check off the box and complete this form.

I give consent to St. Lawrence College to manage my approved Bursary for Students with Disabilities and Canada Student Grant for Services and Equipment (BSWD/CSG-PDSE) funds on my behalf. I understand that third-party management of my BSWD/CSG-PDSE funds does not nullify my obligations under the BSWD/CSG-PDSE application.

REIMBURSEMENT PROCESS

Eligible disability related equipment and software may be purchased no more than 60 days prior to the student's study period start date. Before a student can be considered for reimbursement, they need to provide receipts to Student Wellness & Accessibility for review, and their OSAP account has to be in confirmed status.

I understand that purchasing equipment and software prior to school starting does not guarantee reimbursement if my OSAP eligibility changes.

OVERSPENDING

I understand that I have the option to purchase disability equipment and software with an approved quote from Student Wellness & Accessibility, but if I spend more than the quoted amount on an item, I will be responsible for paying the extra from my own funds.

If I purchase an item for less than the amount quoted, I understand that I need to pay the difference back to the college.

I must return receipts and/or any monies unspent or owing to Student Wellness & Accessibility Services no later than 30 days after funding is received.

I understand that I will receive a T4A from St. Lawrence College for the approved services/equipment from BSWD/CSG-PDSE.
