What is CCDI?

The [Canadian Centre for Diversity and Inclusion](#) (CCDI) is a made-in-Canada solution designed to help employers and human resources practitioners effectively address the full picture of diversity, equity and inclusion within the workplace. Their mission is to help those they work with be inclusive, free of prejudice and discrimination, and to generate awareness, dialogue and action helping people to recognize diversity as an asset and not an obstacle.

St. Lawrence College is an [Employer Partner](#) with the CCDI which provides us with a number of benefits that will support us on our diversity and inclusion journey.
