

SAFETY TRAINING

Mandatory College Training

At St. Lawrence College we take safety seriously. All students are required to complete the following mandatory training modules prior to commencing their Placement

- 1. AODA – Customer Service Standards**
- 2. IASR – Training on the Human Rights Code**
- 3. Bill 168 – Workplace Violence and Harassment (Employee Training)**
- 4. College Sexual Assault/Sexual Violence Policy**
- 5. WHMIS 2015**
- 6. Occupational Health And Safety Awareness Training for Workers**

As a Placement Agency, you can request copies of these certificates for your own records.

Additional Training

In the instance where your agency requires the student to be trained in additional areas outside the ones listed above, it will be your responsibility to ensure students are trained appropriately.

Examples of these additional training areas can include:

- Placement Agency Fire Procedures;
- Safe use of machinery/equipment and proper use of protective devices required for placement, i.e. respirators (masks) or safety goggles;
- Education on Emergency Codes, Emergency contacts (e.g. security issues, medical issues);
- Necessary Lockdown procedures, security processes;
- Routine Precautions and Infection Control Training (provided free by Public Health);
- Required lifting techniques;
- CPR/First Aid Certification training.
