# **NEW!** Pathway Opportunity for Behavioural Science Students

**Opportunity for current Behavioural Science students and recent graduates to turn their Ontario College Advanced Diploma into a Degree at SLC!**

## **Thinking about pursuing a degree after your diploma?**

We are now offering an exciting new pathway that allows current Behavioural Science students (and graduates within the past 5 years) to enter Semester 5 of the Honours Bachelor Behavioural Psychology program after completion of a Spring bridging semester right here at St. Lawrence College!

### **ADMISSION REQUIREMENTS:**

- Graduation from BSP at St. Lawrence College within the last 5 years.
- Minimum Program GPA upon graduation of 3.00 (including placement).
- Completion of Spring bridging semester which consists of four online courses that must be completed before starting Degree program.
- Students completing the bridge will need to meet the degree specific continuance policy (as described in the Academic Policy Manual) in order to move into Semester 5 of the Honours Bachelor Behavioural Science program.

**For information about this new pathway opportunity, please contact:**

**Louise Chatterton, [LChatterton@sl.on.ca](mailto:LChatterton@sl.on.ca)**

To apply for this program, please complete an Advanced Level Entry Form through the School of Community Services.
