# Pathway Opportunity for Behavioural Science Students

Opportunity for current Behavioural Science students and recent graduates to turn your Ontario College Advanced Diploma into a Degree at SLC!

## Thinking about pursuing a degree after your diploma?

St Lawrence College offers an exciting **Pathway** that allows current Behavioural Science students (and graduates within the past 5 years) to enter Semester 5 of the Honours Bachelor Behavioural Psychology Program after completing the Spring **Pathway** semester right here at St. Lawrence College!

### ADMISSION REQUIREMENTS:

- Graduation from BSP at St. Lawrence College within the last 5 years.
- Minimum Program GPA upon graduation of 3.00 (including placement).
- Completion of Spring **Pathway** semester which consists of four online courses that must be completed before starting Degree program.
- Students completing the **Pathway** will need to meet the degree specific continuance policy (as described in the Academic Policy Manual) in order to move into Semester 5 of the Honours Bachelor Behavioural Science program.

For information about this exciting **Pathway** opportunity, please contact:
