Biotechnology

Students entering the Biotechnology program at St. Lawrence College are required to provide proof of immunization. For all students the absence of documentation may result in the student being ineligible for clinical/practical/laboratory participation.

Steps to follow – Please read carefully

- 1. Read thoroughly the entire form so **you** understand what is required to complete this form.
- 2. Do not wait to start this process. Bloodwork and immunizations can take a number of appointments.
- 3. Obtain **immunization records** from one of these sources:
 - a. Local Public Health Unit this is the easiest and most reliable form
 - b. Yellow Immunization card
 - c. Contact your family doctor

If you are unable to obtain records, contact your campus designee as noted below

- 4. Book an appointment with your health care provider for **bloodwork** and any missing immunizations.
- 5. Follow-up with your health care provider regarding bloodwork results to check if you need boosters.
- 6. Attach copies of immunization records and bloodwork results.
- 7. Submit completed Immunization-Communicable Disease Form to your designated St. Lawrence College Campus * one month before the start of first semester.

It is important to fill this form out correctly and completely, please email us with any questions at Immunizations@sl.on.ca

Where the following records do not exist, are incomplete, or are not comparable to Canadian immunization standards the student will be required to complete an adult catch-up vaccine series as defined by the Public Health Agency of Canada. Any costs associated with the completion of these forms are the responsibility of the student.

*Designated St. Lawrence College Campus

St. Lawrence College Campus Health Centre 100 Portsmouth Avenue Kingston, Ontario K7L 5A6 T: (613) 544-5400 Ext. 1136

F: (613) 545-3931

St. Lawrence College is committed to making our resources usable by all people, whatever their abilities or disabilities. This information will be made available in alternative format upon request.

St. Lawrence College Immunization - Communicable Disease Form

Last Name:	First Name:	
Date of Birth (m/d/y):	Health Card Number:	
Local Address:	City:	Province:
Apt and Street		
Postal Code:	Cell Phone #:	
Program:	Student Number:	
Student Consent for Release of Information		
I understand and agree that my immunization record will be recorded in the Campus Health Centre Electronic Medical Records system and only accessible to Campus Health Centre Personnel.		
Signature: Date (m/d/y):

Documentation of 2 MMR is required. If one vaccine was measles only , an MMR booster is required.		
If no records available, blood work to determine immunity to measles, mumps, and rubella is required.		
1. Copy of records attached (Mandatory) Dose #1 Date (m/d/y): Dose #2 Date (m/d/y):		
OR		
2. Copy of lab results attached (Mandatory) Date draw	n:	
Results: Measles: Reactive Non-Rea	ctive or Indeterminate	
Mumps: □ Reactive □ Non-Rea	ctive or Indeterminate	
Rubella: Reactive Non-Rea	ctive or Indeterminate	
If you are not immune, a booster is required: MMR Booster: Date (m/d/y):		
Varicella Vaccine		
Documentation of 2 varicella vaccines are required. Those who received only one dose of varicella vaccine should be given a second dose. If no records available, bloodwork to determine immunity to varicella is required.		
Copy of records attached (Mandatory) □ Dose #1 Date (m OR	n/d/y): Dose #2 Date	(m/d/y):
2. Copy of lab results attached (Mandatory) Date drawn:		
Results: □ Reactive □ Non-Reactive or Indeterminate		
If you are not immune, 2 doses are required: Dose #1 Date (m/d	/y): Dose #2 Date	e (m/d/y):

Polio Vaccine		
Documented proof of a primary series is required OR an Polio vaccine series consists of 4 or 5 doses, it is required	adult catch-up series is required. you have received 1 dose of polio (IPV) over 4 years old	
1. Do you have documented proof of completed primary	series?	
□ YES □ COPY OF RECOR or □ NO If no records of any va	D ATTACHED (MANDATORY) accines, an adult primary series is required (see section below)	
Dose #1: Date (m/d/y): (2	months)	
Dose #2: Date (m/d/y):(4	months)	
Dose #3: Date (m/d/y): (6	months)	
Dose #4: Date (m/d/y):(1	8 months)	
Dose #5: Date (m/d/y):(4-	6 years old) – if no record of IPV after 4 years old, an IPV booster is required	
Tetanus/Diphtheria/Pertussis Vaccine		
Documented proof of a primary series is required OR an A single dose of Pertussis is required for all adults.	adult catch-up series is required.	
 Do you have documented proof of completed primary 	series?	
☐ YES ☐ COPY OF RECORD ATTACHED (MANDATORY) or ☐ NO If no records of any vaccines, an adult primary series is required (see below)		
2. Last tetanus vaccine must be within the last 10 years		
Date (m/d/y): Type of vaccine give	ven □ COPY OF RECORD ATTACHED (MANDATORY)	
Adult catch-up series 1st dose (Adacel or Boostrix) Date (m/d/y):		
2 nd dose (Td – 2 months after 1 st visit)	Date (m/d/y):	
3 rd dose (Td – 6-12 months after 2 nd visit)	Date (m/d/y):	

St. Lawrence College Immunization - Communicable Disease Form

Hepatitis B Vaccine		
Students who are non-reactive to hepatitis B despite comp and repeat bloodwork to confirm immunity. If a student continues to be non-reactive, the student will not be student will not be student.	leting the initial vaccine series are required to have a booster dose eed to complete a second hepatitis B vaccine series.	
Unimmunized adults require a 3 dose series. Schedule: 0 month, 1 month, and 6 months		
Initial Vaccination series (2 or 3 dose series)	If required: Repeat Hepatitis B vaccination series	
Dose #1: Date (m/d/y):	Dose #1: Date (m/d/y):	
Dose #2: Date (m/d/y):	Dose #2: Date (m/d/y):	
Dose #3: Date (m/d/y):	Dose #3: Date (m/d/y):	
Hepatitis B immunity (at least 30 days after last dose) Copy of lab results attached (Mandatory) Date drawn: Results: Reactive Non-Reactive	Repeat Hepatitis B immunity (at least 30 days after last dose) Copy of lab results attached (Mandatory) □ Date drawn: Results: □ Reactive □ Non-Reactive
