MONTHLY THEME: SUSTAINABLE TRANSPORTATION

Welcome to Footprint's newsletter, SLC's awareness program on sustainability. In our newsletter's you'll find upcoming tri-campus Footprint events, community events, sustainable tips, and sustainable actions!

COMMUTE WITH SUSTAINABILITY IN MIND!

DID YOU KNOW
TRANSPORTATION
ACCOUNTS FOR 24%
OF CANADA'S
GREENHOUSE GAS
EMISSIONS?

- Oils and Gas
- Transportation
- Building
- Electricity
- Heavy industry
- Agriculture
- Waste and others

What are Greenhouse Gases?

Greenhouse gases are emitted by natural processes and human activities. The largest sources of greenhouse gas emissions in Canada include: oil & gas, transportation, buildings, electricity, heavy industry, agriculture, and waste.

Greenhouse gases have significant impact on our environment, human health, and on our economy. These impacts cause these effects including:

- Increases in annual average global temperatures
- Rising sea levels
- Damage of infrastructure
- Higher frequency of severe weather events
- And more

CONGRATS SLC! We came first in the Canada wide Campus Commuter Challenge!!

We have diverted **1055 kgs** of Greenhouse gas emissions, traveled **7348 km** sustainably, saved over **512 litres** of fuel, and **burned 46074 calories!**

Make use of the SLC Carpool Program to travel with convenience and the environment in mind!

We already have 244 members can we make it to 300?

Bike Racks

Want to start biking to school but worried about keeping it safe? Use the bike rack on all 3 campuses!

Transit Tri-Campus!

Students on the Kingston campus have transit passes included in their tuitions and Cornwall and Brockville students can purchase bus passes from their student governments!

Employee Transpass!

Are you full-time staff or faculty at Kingston campus and want to take the bus more often? Sign-up for our employee transpass program with our partnership with Kingston Transit at a reduced rate!

EV-Charging Stations!

We currently have two charging stations on each campus with an additional two coming to Kingston with the new build!
