### **Video Consent**

Please be aware that the convocation ceremonies will be filmed and simultaneously available via live streaming for viewing on the internet. They will also be recorded and made available for viewing through St. Lawrence College's website after the ceremony.

By entering the event, you consent to be filmed and/or otherwise recorded.

# CONVOCATION 2024 HONORARY DIPLOMA RECIPIENT

---

**Sherri Fournier Hudson** Executive Director of the Upper Canada Family Health Team, Brockville

**What does this award mean to you personally?**

Receiving this award is a complete surprise and a tremendous honor. I am not one to enjoy the limelight, so this is a little outside my comfort zone. To me, this award also acknowledges the many people that I have been fortunate to work with over the years. My motto is that it takes a community to get things done.

**How have SLC students or the college in general intersected with your work or community?**

Working in healthcare, St. Lawrence College plays an integral role in so many areas. Specifically, the nursing and the medical administrative students and graduates have intersected with our work in the community.

Thinking back to the Covid-19 pandemic, the students and new graduates played an instrumental role in the human resources for the Assessment Centre and the Vaccine Centre.

**What path have you followed, that sees you here today? What were some ingredients of your success?**

Well, I am not sure you would describe it as a path... perhaps as a hike with some twists and turns!

With quite a bit of coaxing from my dad, I attended and graduated from Georgian College with three-year Business diploma with a minor in Automotive Marketing. From there I attended Northwood University and obtained my Bachelor of Business.

Once back working in the family business, Rockway Pontiac Buick, I applied to attend General Motors Institute in their executive studies program which I graduated from in 1994.

In 2008, I began looking for a change in careers. Through all my education and work experience, I had learned, I had a strong passion for assisting and finding solutions specifically with people and communities.

In January 2009, I made the leap into healthcare administration as the executive director with the Upper Canada Family Health Team. I have continued to upgrade my education in healthcare administration through Rotman School of Management, University of Toronto.

**Who has been your biggest inspiration, and why?**

I have been blessed to be surrounded by two great families: my parents and my husband's parents. Their work ethic and involvement in the community has certainly been an inspiration to me which I carry with me every day. My husband Ted and I have been diligent to carry on from our parents' examples; to instill work ethic and strong commitment to community in our children Catherine and Joseph.

**What words of inspiration/wisdom can you share with SLC graduates?**

Finding your passion is a key ingredient and this may take some time. Don't be afraid to change course, embrace change! If you find your passion, you will never work another day.

There are many ways to reach your destination and no experience is a waste whether it is education, different careers, volunteering in your community or networking. Enjoy the journey!
